

# ANGER

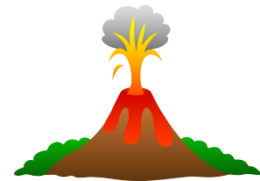

When I feel this  
Something goes BOOM

When I feel this  
I fall down like a broom

When I feel this  
I start to erupt  
When I feel this  
I become abrupt

When I feel this  
I am raging like a bull  
When I feel this  
I fly like a cannon ball

When I feel this  
I am as red as fire  
When I feel this  
I may call you a liar

When I feel this  
I run around like mad  
When I feel this  
I may be a little bit bad.
