

# THE HUNGER GAMES

---

NAME: The Hunger Games Trilogy

AUTHOR: Suzanne Collins

AGE RANGE: 11+

GENRE: Dystopian

STORYLINE:

This Story is wrapped around Katniss Everdeen, a 16 year-old girl living in the dystopian future in a world where America is divided up into districts. All the districts as a whole are called Panem. After the first rebellion (uprising) approximately 75 years ago the Capitol decided to make the Hunger Games.

These games would serve as a retribution for the failed uprising. Every year, the Capitol elects two tributes, a young man and woman from each district to fight to the death in the Hunger Games. If you were to win the Hunger Games you would never have to do the Hunger Games again and would live peacefully in the victor's village in your district.

IN THE SECOND BOOK: Katniss Everdeen is sent into the Hunger Games once more because of the 75<sup>th</sup> anniversary meaning it is the Quarter Quell. There begins a new spark starting up another uprising...

IN THE THIRD BOOK: Katniss must become a symbol of rebellion the Mockingjay no matter what the personal cost...
