

TOM GATES

BOOK REVIEW

Tom Gates is a series of books about a boy called Tom and his crazy life. Tom also loves and I mean loves to doodle on **anything** he can get his hands on. The book has also won tons of awards such as the Roald Dahl funny prize award, the Waterstones children's book prize and the Blue Peter book awards. I would recommend these books for 8-12 years old

My rating for this book is:

= **Absolutely fantastic**

I personally LOVE Tom Gates, because I normally find it really hard to find a book or in this case books that I like, let alone can't put down.

I DEFINITLY RECOMENED THIS BOOK!
