La noche de brujas (The night of witches)

VOCABULARIO

Today, we are learning about Halloween in Spanish with some vocabulary. In our lesson next week, we are going to learn about another celebration similar to Halloween, El Día de los Muertos (The Day of the Dead).

What is Halloween? What do you know about it? When is it?

It originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. ... The evening before was known as All Hallows Eve, and later Halloween.

What happens at Halloween?

It is celebrated by dressing in costumes and telling tales of witches and ghosts. Pumpkins are carved into glowering jack-o'-lanterns. Children parade from house to house, knocking on doors and calling out "Trick or treat!" hoping to have their bags filled with candy.
