'Words unlock the doors to a world of understanding...'

Firstly, thank you for being a part of the vocabulary revolution! **ViVa!!** Together we can have a huge impact on understanding and application of vocabulary! Vocabulary Ninja is was born out of a desire to improve general outcomes for pupils within a classroom, stumbling upon vocabulary as a huge barrier. Just as times tables are a pre-requisite to most mathematical investigations, vocabulary is to reading and writing. Without an in-depth understanding, pupils will always have barriers in learning and in life!

Well, you have passed the first test grasshopper! And demonstrated your worth!! I must reward your endeavour with this wonderful 140 page **VocabularyNinja** Word of the Day Resource Pack!

Remember, the true value of being a **VocabularyNinja** lies in time given, it is a gift. Time must be provided for discussion, demonstration, explanation, play, sharing, editing, rehearsal and celebration. Simply showing pupils these words is not enough. **Words unlock the doors to a world of understanding.**
