

# Handwriting Expectation: EYFS

**Children in EYFS need to be taught to form letters correctly.**

Physical Development: Moving and Handling (40–60+ months):

**Uses a pencil and holds it effectively to form recognisable letters, most of which are correctly formed.**

Literacy: Writing (40–60+ months):

**Attempts to write short sentences in meaningful contexts.**

The ability to handwrite is also very much part of the statutory assessments at the end of the EYFS.

Early Learning Goal 04: Moving and Handling: Expected Level:

**They handle equipment and tools effectively, including pencils for writing.**

Early Learning Goal 10: Writing: Expected Level:

**They write simple sentences which can be read by themselves and others.**

# Handwriting Expectation: Year 1 (Age 5–6)

Statutory Requirements	Non-Statutory Notes and Guidance
<p>Pupils should be taught to:</p> <ul style="list-style-type: none"><li>• sit correctly at a table, holding a pencil comfortably and correctly</li><li>• begin to form lower-case letters in the correct direction, starting and finishing in the right place</li><li>• form capital letters</li><li>• form digits 0–9</li><li>• understand which letters belong to which handwriting ‘families’ (i.e. letters that are formed in similar ways) and to practise these.</li></ul>	<p>Handwriting requires frequent and discrete, direct teaching. Pupils should be able to form letters correctly and confidently. The size of the writing implement (pencil, pen) should not be too large for a young pupil’s hand. Whatever is being used should allow the pupil to hold it easily and correctly so that bad habits are avoided.</p> <p>Left-handed pupils should receive specific teaching to meet their needs.</p>

# Handwriting Expectation: Year 2 (Age 6-7)

Statutory Requirements	Non-Statutory Notes and Guidance
<p>Pupils should be taught to:</p> <ul style="list-style-type: none"><li>• form lower-case letters of the correct size relative to one another</li><li>• start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left un-joined</li><li>• write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters</li><li>• use spacing between words that reflects the size of the letters.</li></ul>	<p>Pupils should revise and practise correct letter formation frequently.</p> <p>They should be taught to write with a joined style as soon as they can form letters securely with the correct orientation.</p>

# Handwriting Expectation: Year 3-4 (Age 7-9)

Statutory Requirements	Non-Statutory Notes and Guidance
<p>Pupils should be taught to:</p> <ul style="list-style-type: none"><li>• use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left un-joined</li><li>• increase the legibility, consistency and quality of their handwriting (for example, by ensuring that the down-strokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch).</li></ul>	<p>Pupils should be using joined handwriting throughout their independent writing.</p> <p>Handwriting should continue to be taught, with the aim of increasing the fluency with which pupils are able to write down what they want to say. This, in turn, will support their composition and spelling.</p>

# Handwriting Expectation: Year 5-6 (Age 10-11)

Statutory Requirements	Non-Statutory Notes and Guidance
<p>Pupils should be taught to write legibly, fluently and with increasing speed by:</p> <ul style="list-style-type: none"><li>• choosing which shape of a letter to use when given choices and deciding whether or not to join specific letters</li><li>• choosing the writing implement that is best suited for a task.</li></ul>	<p>Pupils should continue to practise handwriting and be encouraged to increase the speed of it, so that problems with forming letters do not get in the way of their writing down what they want to say.</p> <p>They should be clear about what standard of handwriting is appropriate for a particular task, for example, quick notes or a final handwritten version.</p> <p>They should also be taught to use an un-joined style, for example, for labelling a diagram or data, writing an email address, or for algebra; and capital letters, for example, for filling in a form.</p>
